WATER TRIVIA

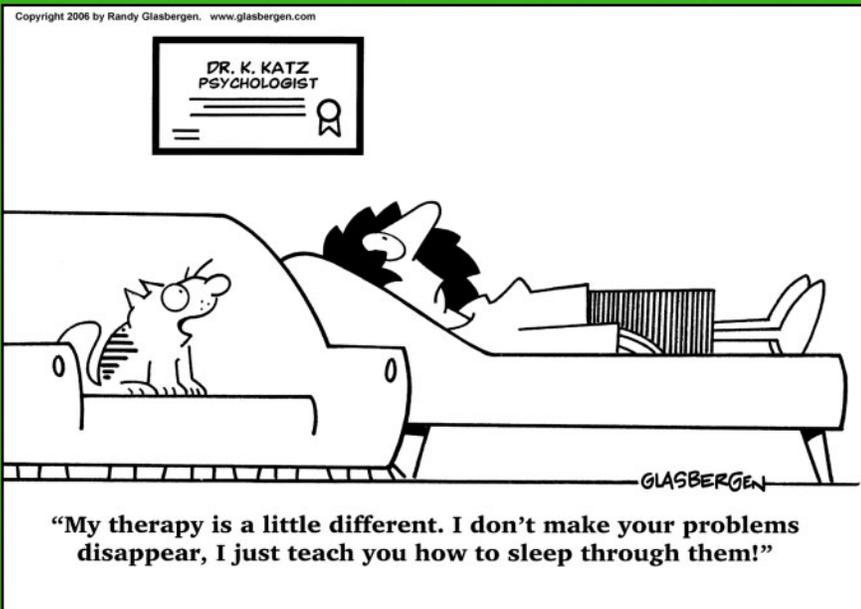

In the U.S., how much water is used each day?

- (a) One billion gallons
- (b) 100 billion gallons
- (c) 700 billion gallons
- (d) One trillion gallons

Source: American Water Works Association

(c) People in the U.S. use as much as 700 billion gallons of water every day.

ANSWER

Hmmmm

Water was the first word that Helen Keller learned. Water was the last word uttered by Ulysses S. Grant

Source: American Water Works Association

QUOTES

Let him that would move the world, first move himself.

—**Socrates (470?–399 BCE)**

We must not squander our powers, helplessly and ignorantly, squirting half the house in order to water a single rose.

—**Virginia Woolf (1882–1941)**

We call upon the waters that rim the Earth, horizon to horizon, that flow in our rivers and streams, that fall upon our gardens and fields, and we ask that they teach us and show us the way.

—**Chinook Indian Blessing**

I'm not sure where I'm going but I'm making great time.

—**Author Unknown**
